

## **Georgia Network for Educational and Therapeutic Support (GNETS)**

The Georgia Network for Educational and Therapeutic Support (GNETS) supports local school systems' continuum of services by providing comprehensive special education and therapeutic support for students whose behavior severely impedes their learning. GNETS serves children ages 3 through 21 through one of 24 programs serving every school system in the state.

For more information on GNETS, contact the Division for Special Education Supports, Positive Behavior Supports, Georgia Department of Education at [voconnel@doe.k12.ga.us](mailto:voconnel@doe.k12.ga.us) or at 404-657-9953.
